Shave the Way

Treat the guy in your life to a refreshing spa day. Each grooming service comes complete with a complimentary drink, consultation, hair wash, styling, and massage. From the *Royal Shave* to the *Executive Package*, **The Spot Barbershop** has the R&R he's been craving. Book him an **appointment** today and have him feeling best for Father's Day or any day.

Fun in the Sun

Can't gift dad or your grad that European getaway? New trunks for a dip in the pool or family fun day at the beach are the next best thing. **Europann-USA** carries a variety of European cut swimsuits. Grab him a pair from the new Spring/Summer collection with prints ranging from *Aloha*, *Scoop*, *Abilio*, *Leo* and of course don't forget about *Summer!* His new swimwear will have him feeling like he's sailing in Saint-Tropez.

Skin is In

Does the man in your life have a better beauty care routine than you? Or, is he ready for a summertime refresher? From tried and true grooming techniques that keep him so fresh, so clean (clean), to the perfect moisturizer that you'll want to borrow, keep him looking (and, feeling) good with his favorite new products from **Bluemercury**. He'll love them so much that you might find yourself asking "*what's taking him so long to get ready?*"
