If you tried to keep track of every brand new restaurant in Miami, you might go a little bit crazy. So just read this list instead. These are the new restaurant openings we think you should know about—although keep in mind, we haven't been to all of them. And for the ones we haven't tried, we make no promises. If you're looking for the new restaurants we've already checked out and loved, go to our [Hit List](#).

The Key Club
