How to Celebrate Pride Month in Miami

By: Robert Lovi | Culture Food & Drink People Lifestyle Community

June is LGBTQ+ Pride Month, and this annually-celebrated event honors the Stonewall riots in 1969 and efforts to achieve equal justice and opportunity for lesbian, gay, bisexual, transgender, and queer (LGBTQ+). Miami has always been a friendly city for members of that community. You can support and celebrate Pride with different events and activities ranging from fabulous lineups to unique cocktails, parties, and more. In a free city like Miami, you are welcome to be who you are and celebrate with Pride.
