Coconut Grove Arts Festival 2025 Official Poster Unveiled

The unveiling of the Coconut Grove Arts Festival Official 2025 Poster just happened, and it was absolutely phenomenal! This year's featured artist, Julia Gilmore from New Hampshire, took inspiration from a historical piece dating back to the 1940s to create a design that perfectly captures the vibrant spirit of Coconut Grove.

“We are absolutely thrilled to have Julia Gilmore as this year’s poster artist for the Coconut Grove Arts Festival,” said Camille Marchese, Executive Director of the festival. ***“Julia’s art is truly ‘happy art.’ One look at her work, and it’s instantly clear that her mission in life is to spread happiness. Her vibrant colors and joyful expressions bring so much light and positivity—it’s impossible not to feel happy when you see her creations. We can’t wait to share her vision with the community through this year’s commemorative poster.”***
